## AROS NATS 2008

### ET SUPER PRO - - Round 1

Portatree (C) Timing Systems

1	EP102	EKLUND GERD							
0	BYE								
2	EP2463	ALMQVIST PETER							
3	EP289	ALMQVIST THOMAS							

The diagram shows a timing system layout with four lanes. Lane 1 (EP102) and Lane 0 (BYE) are on the left. Lane 2 (EP2463) and Lane 3 (EP289) are on the right. A central timing area is connected to lanes 1 and 2. The timing area consists of a grid of cells, with a horizontal line connecting to the top of the grid and a vertical line connecting to the left side of the grid.
